[Nick Lachey](#) and [Vanessa Minnillo](#) were the hosts of an extravagant haunted mansion themed Halloween party for their friends and family. The party was put together by L.A.'s "[The Party Goddess](#)" [Marley Maicher](#). Nick Lachey and Vanessa Minnillo's costumes were Frankenstein and his bride.

Nick Lachey, the ex-husband of Jessica Simpson and former member of 98 Degrees, and his girlfriend Vanessa Minnillo, former TRL presenter, held a Halloween party at Lachey's Bel Air Home in L.A. The guests of the exclusive Fright Night Party were treated to Skelanimals decorations and party favors.

The food choice was a mix of kobe burgers, quesadillas, taquitos, risotto and macaroni & cheese. After the food and the treats, the guests of the couple danced right through to the early morning to Michael Jackson songs.

Some of the attendees of the party were Kate Beckinsale, Tommy Lee, Malin Akerman, Joey McIntyre, Drew Lachey, Trace Ayala, Stacy Keibler, Kara DiGuardi and Wilmer Valderrama. At the end of the night, everyone was gifted their very own Skelanimal to take home.
